## Terminal spec sheet

### Driver orientation training

To ensure all lifts are made easily and safely, we offer training for drivers. Here are the steps to take to attend our training:

#### STEP 1 – Complete our compliance checklist

Please ensure you have the following documents before your orientation training. Each of these documents must be with you during every visit to our terminal.

##### Carrier requirements:

Carrier insurance certificate

##### Driver requirements:

Hazard endorsement

Valid driver's license

#### STEP 2 – Schedule an appointment

To schedule your driver orientation training, please call the Hartford terminal (802.280.1907) more than 24 hours in advance.

#### STEP 3 – Attend the training

- The driver orientation training takes about one to two hours.
- Training includes an orientation video, review of standards and procedures, site orientation, supervised loads, and compliance checklist.
- To make the orientation faster and more efficient, you may send an experienced driver along with your new driver.
- Drivers must have ten supervised loads and meet our compliance checklist prior to receiving their access card.
- Completion of orientation is required every three years.
