

Blending & Packaging

Private Label

Your brand, your way

Irving Blending & Packaging is Atlantic Canada's premier blending, packaging, storage and marketing services provider of Irving Oil, Cobra and private label branded lubricants, chemicals and diesel exhaust fluid (DEF).

Operational Excellence

- **Best practices** – You can count on us to help you serve your customers. Our in-house lab and state-of-the-art distribution centre ensure quality products and timely delivery. We focus on exceeding expectations.
- **Reliable supply** – From our world-class facilities, we produce and market over 1,400 high-quality products. That means you have access to multiple solutions from our incredibly-diverse product portfolio.
- **Diverse network** – Our operations, sales, marketing and technical teams are here to work with you by designing, packaging, producing and shipping the custom products you, and your customers, want.

A focus on quality

- **Quality products** – All our products are quality tested from raw materials to finished packaged goods. We have the latest North American certifications, industry approvals and expertise to help you grow. Our products are backed by one of the most robust quality statements in the industry.

A team on your side

- **Customer focus** – Our commitment to you is a part of who we are as a company. Since 1924, customer focus has been one of our guiding principles.
- **People you trust** – Our Sales Teams are mobile, understand the market and are dedicated to helping you with all your lubricant, chemical and DEF needs. We have a Support Team to take care of your needs, answer questions or quickly fix any issues.

Want to talk to a private label expert?
We'd love to hear from you.
